- All-semester Dean's List Recipient | CPA Track Candidate

WORK EXPERIENCE

Peer Leader

Cincinnati, Ohio

University of Cincinnati

August 2025 - January 2026

- Led academic and social onboarding for 20+ first-year students, coordinating mentorship sessions, academic guidance, and resource referrals to improve first-semester transition outcomes, engagement, and academic resource utilization
- Designed weekly check-ins and progress-tracking frameworks using Excel and Google Calendar to monitor academic performance, schedule milestones, track deliverables, and ensure consistent follow-through on academic and personal development goals

Tax Intern

Hanoi, Vietnam

Royal Cargo Combined Logistics, Inc.

May 2025 - August 2025

- Reconciled weekly financial data across balance sheets and income statements, reducing reporting discrepancies by 15%
- Conducted tax and COD cost analysis on 200+ shipments, driving 8–12% logistics cost reduction through pricing benchmarks
- Analyzed pricing consistency for 300+ small parcels across Vietnam vs. Singapore/US markets and researched 50+ retailer price points, identifying variances up to 20% to support pricing and compliance decisions
- Audited and prepared export invoices and customs receipts for 100+ international shipments, supporting embassy clearance procedures and reducing documentation processing delays

PROJECTS

Fast Pitch Financial Modeling Competition – Dorminator Startup

Cincinnati, Ohio

Team Leader | 16-member team | 1st Place, \$2,000 Award

January 2025 - April 2025

- Constructed an integrated 5-year three-statement financial model with monthly revenue forecasts, COGS, operating expenses, tax modeling, retained earnings, and capital expenditure assumptions to evaluate startup financial viability and scalability
- Developed detailed unit economics and margin analysis across product categories, incorporating procurement pricing, inventory turnover, and adjusting revenue growth and cost assumptions to evaluate downside and upside financial outcomes
- Modeled equity ownership and capital structure, including investor contributions and reserved equity pools, and led a 16-member team to present financial findings, securing 1st place and a \$2,000 award

KPMG | BofA | EY

Cincinnati, Ohio

Job Simulation | Audit & Accounting Experience

January 2026 - Present

- Analyzed assets across the portfolio lifecycle using Excel-based quantitative tools (Solver, risk-adjusted metrics), producing standardized, audit-ready recommendations
- Performed structured evaluations of equity and fixed-income instruments using consistent frameworks, ensuring accuracy, comparability, and adherence to defined guidelines
- Documented methodologies and translated findings into clear, stakeholder-ready summaries, demonstrating strong process discipline, communication, and Excel proficiency

LEADERSHIP & VOLUNTEER EXPERIENCES

Analyst

Cincinnati, Ohio

UC Accounting Club

October 2024 - Present

- Attended Big 4 (KPMG, Deloitte, PwC, EY) firm panels, technical workshops, and networking sessions to gain insights into audit, tax, and advisory practices, recruiting processes, and current accounting and market trends affecting professional services firms
- Analyzed 40+ corporate financial statements through biweekly projects, evaluating income statements, balance sheets, and cash flow statements to assess revenue drivers, expense structures, profitability trends, and financial performance across multiple industries
- Presented financial analysis findings and written summaries to club members and occasionally to visiting Big 4 professionals, strengthening professional communication, technical explanation, and presentation skills
